About Us

The Professional Boards Forum brings together Chairs and women with the skills and experience for Non-Executive director (NED) roles.

Leading Chairs who are committed to appointing talented women to UK boards and who frequently participate: Sir Roger Carr, Sir Douglas Flint, Orna NiChionna, David Tyler and Annette Court, to name a few.

At our innovative events, a 'Simulated Board Meeting' gives talented women a unique opportunity to show their understanding and judgement of complex strategic, governance and financial problems, demonstrating the strengths they could bring to a board in the future. The Forum creates a friendly environment where women can meet and impress business leaders who influence appointments to UK boards.

More than 150 Chairs from FTSE 100 and FTSE 250 companies and other significant firms have participated and continue to participate at the Professional Boards Forum events.
